 Growth & Nurturing

Meeting Your Inner Child

What did you love to do as a child?

What made you feel safe and happy?

What did you need but didn't receive?

What would your younger self want to hear from you today?

Emotional Awareness

What emotions am I feeling today?

Where do I feel these emotions in my body?

What is my inner child trying to tell me?

How can I nurture myself today?

Self-Compassion Practice

What would I say to comfort a hurting child?

How can I offer that same compassion to myself?

What does my inner child need to feel loved?

What small act of kindness can I give myself today?

Letting Go & Forgiveness

What am I ready to release?

What no longer serves my growth?

Who or what do I need to forgive (including myself)?

What does healing look like for me?
